

Gate Fold Layout Guide

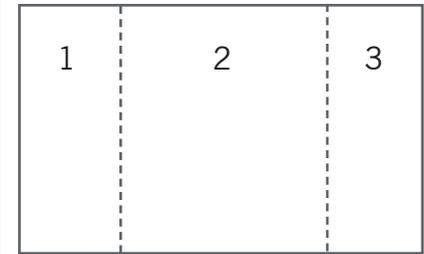

Mailing Panel Specifications

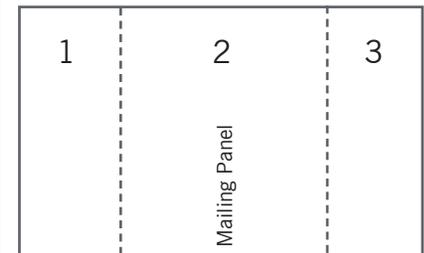

Mailing Address Placement

The Mailing Address can be placed anywhere on the panel, as long as it is above the 5/8" area reserved for the USPS. See examples to the left.

Gate fold Panel Layout

inside pages

outside pages

Panels 1 & 3 are of equal size. Panel 2 is slightly more than double the size of panels 1 & 3. This allows them to fold correctly.

Interactive Folding Guide

Printing Partners has an interactive Folding Guide located on our website. This guide will give you the panel sizes you need to build your gate fold piece.

Other types of folds are also available on the guide.
